Warranty Policy (Remanufactured Product)

Fleet Products Ltd. and KBR warrants to the original purchasers of its remanufactured products that the products will be free of defective materials and workmanship. This does not include defects caused by improper installation, maintenance or service.

The term of this warranty shall be:

- 160,000 km (100,000 ml) or 3,600 hours or 12 months, whichever occurs first.

Products claimed to be warrantable must be returned prepaid and intact to Fleet Products Ltd. and/or KBR within 30 days after the date the questionable defect is first discovered. Fleet Products Ltd. and/or KBR will inspect the product and make the final determination as to whether the product is covered under the warranty program.

When a warranty claim is allowed, Fleet Products Ltd. and/or KBR's responsibility is limited to repair or replace the defective item. In no event will Fleet Products Ltd. and/or KBR be liable for the incidental or consequential damages including but not limited to costs incurred for service calls, towing, downtime and engine failure.
